First Tee Summer Programs

First Tee Summer Programming is a youth development program that offers education, fitness, wellness and life skills to children using golf and its inherent values as context. Employing activity based programming, students begin to acquire life tools and skills to reinforce lessons they learn at home and in school.

Youth School Program 3-Day & 5-Day

Our youth school program emphasizes "fundamentals". The focus of the program is to teach each junior golfer at his/her own level of ability. Each golfer will receive the basics of a good set up, leading to improvement in all areas of the golf swing. Junior golfers will gain a better understanding of the golf swing, so future improvement will be easier to attain. Students receive a before-and-after video analysis of their golf swing at program completion.

Little & Junior Linksters

Instructions are designed to introduce and promote the game of golf to participants of all abilities. Our goal is to provide a fun and enjoyable learning environment that will stimulate interest in the game. Our Linkster's will learn the importance of rules and etiquette, as well as the basics of the golf swing and the game. All areas of the golf game are taught, including putting, chipping, irons and woods.

Back To School Programs

Back to School programs are a great way to keep students who participated in the summer programs enjoying the game of golf during the school year.

Programs will offer: PGA Teaching Professionals' Instruction Materials Practice Drills, Learning Aids Equipment (if needed) and Rules & Etiquette of Golf Course Situations.
